Satisfyer Pro 2 with Bluetooth, controllable via app

The most beautiful gift you can give yourself is the breathtaking orgasms that you will experience with the new Satisfyer Pro 2. Wrapped in Christmas red, the patented air-pulse vibrator gives you sensual pleasure any time of the year.

Things get especially exciting with the Connect App control, because it allows you, for example, to give up control and let your sweetheart decide how to pleasure you - even if you aren't in the same room or on the same continent. And because the focus is on your pleasure, you can even create your own vibration rhythms in the app and share them with other users.

Satisfyer Masturbator Egg for Men

The Satisfyer Masturbator Egg brings him to absolute Eggstasy with its stimulating nubs and flexible, cuddly material. The material is especially stretchy so it can stimulate both the glans and the entire penis. Thanks to the innovative, hydroactive TPE, no lubricant is necessary - a little water is enough to let your wildest fantasies go - even when on the road.

PENTHOUSE lingerie

- Sensual No Taboo crotchless teddy
- Elegant Kimono Sweet Retreat
- Figure flattering one-size-fits-all S-L
- Comfortable thanks to high-quality materials

The two included Penthouse lingerie products are perfect to really turn up the heat in your seductive play: Would you like a cheeky Christmas elf? Show yourself in this sexy and revealing Body Search bodystocking made of coarse mesh. It fits snugly and emphasizes your curves and assets - so you reveal everything you have to offer! The spaghetti straps ensure an optimal fit. There's also an opening in the crotch so you can start making love right away.

The Kimono Sweet Retreat is another sinful surprise for magical nights. Can't decide between elegant and sexy? This kimono makes the decision for you and wraps you in delicate, skin-friendly lace. Thanks to the semi-transparent fabric and the deep V-neckline, it also allows enough peeks to fire up your sweetheart's imagination.
